WORK EXPERIENCE

Nike

Beaverton, OR

Software Engineer Intern

June-Aug. 2026

- Developed, debugged, and shipped feature updates across Nike's iOS mobile app within a large modular Swift codebase, collaborating with engineers and QA through JIRA-driven workflows
- Designed and implemented an AI-assisted iOS release automation system using Cursor, orchestrating weekly RC cuts by integrating Fastlane, Jenkins, GitHub tagging, and Slack notifications to reduce manual release steps

Business Communication

Atlanta, GA

Teaching Assistant

Jan. 2025-Jan. 2026

- Mentor students in enhancing public speaking abilities through guidance on two individual projects and one team project
- Evaluate and provide constructive feedback on business writing assignments, lead nine breakout rooms to refine presentation skills, and overall help students refine their communication skills for professional success

Brains and Motion

Los Angeles, CA

Instructor

May - August 2025

- Instructed 100+ students in the fundamentals of coding, algorithms, and robotics, fostering technical skills and problem-solving
- Contributed to curriculum development by creating and refining coursework to support the success of future program offerings

Austin Sunshine Camps

Austin, TX

Counselor and Life Guard

May - July 2024

- Provided over 200 underprivileged children with a cost-free summer camp experience, while ensuring water safety
- Dedicated over 40 hours to comprehensive training and education as a counselor and lifeguard to ensure the highest standards of safety, preparedness, and effective supervision for all camp activities
- Contributed to increasing overall camper satisfaction from 85% to 93% after end-of-camp surveys

Boca Juniors Professional Women's Soccer Team

Buenos Aires, AR

Professional Women's Soccer Player

Jan. - Aug. 2023

- Lived and played in Argentina for the number one ranked women's professional team in Buenos Aires for eight months
- Participated in over 20 official games and contributed to a championship victory at the end of the season
- Developed skills in Spanish and immersed myself in a new culture while adapting to a professional sports environment

LEADERSHIP & COMMUNITY ENGAGEMENT

Emory University NCAA Varsity Soccer Player

Aug. 2023-Present

- Started in the National Championship of the 2025 NCAA Tournament and the Final Four of the 2024 NCAA Tournament
- Honors include 2025 NCAA All-Tournament Team and multiple UAA Athlete of the Week
- Train six days a week, travel, and represent the Emory Eagles in division three UAA and NCAA competitions
- Developed strong time management, leadership, and teamwork skills through balancing athletics and academics

Emory Hacks Operations

March 2025-Present

- Manage and coordinate operations, including sponsorship recruitment, day-of event logistics, cross-team coordination.
- Coordinate judging logistics, recruit and onboard judges, develop evaluation rubrics, and streamline communication between judges, participants, and team members to ensure a fair and efficient evaluation process.
